January, 2015

Dues

Here we go again! We are not raising the dues; we are just reminding you that Scott Voth, the Treasurer, is collecting dues for the coming year. B.F.M.S. dues are still **\$35.00**. Juniors remain at **\$12.00**. Please send a check for the correct amount to the address listed on the adjacent mail box. It would also be helpful if you would include in the envelope, a copy of the renewal form, completed with the most up to date information. It is from this information that a membership list is formulated for publication to the membership in February. Your dues payment can also be made in cash at any B. F. M. S. meeting.

Again, thank you for your attention to this important matter. January 31, 2015 is the final day for renewal dues to be accepted. After that date, an initiation fee of \$12.00 will be requested because you are no longer considered a member.

Election

The usual suspects were elected as predicted. Brian Sherman was elected President. Jack Mertz becomes our new Vice President. John Carrigan remains Secretary. Scott Voth continues as Treasurer. The Executive Committee for the year 2015 will do it's very best to serve the club during this time. Thank you for your continued support.

Hats For Sale

Scott Voth is the person to see if you are interested in a new club hat. The cost is \$10.00, the price the club paid to have them produced by Valley Athletic Supply Co. of Lansford.

The two styles were decided upon by the members present at an earlier meeting this Summer.

Get your new hat at the next meeting. If you are like me, it is time for a new one because the old hat is sweat stained, and the "oil needs changing."

Scott now has plenty to sell. Give yourself a Christmas present!

WELCOME 2015!

Here's hoping you had a Merry Christmas and that Santa stuffed your stockings full of useful airplane supplies and equipment. Rumor has it that the Sherman's must have been "nice" 'cause at least two of them managed to finish up their 1st winter projects and are already working on the next.

Waiting for spring for its test flight. I've started my next project and it will be (should be) also ready for spring. I hope to see some new birds at the field in the spring that you guys are so diligently working on!!

Hope you all had a great holiday!! **Herb**

How about you?? Surely some of you are scheming and planning how to sneak that next project past your better half. Go ahead and share some photos. We won't tell. (*just be sure to hide the newsletter!*)

My 1st winter projects are ready to fly. Hope there is some snow soon. The Pawnee also has chemical spray tanks available when it comes time to fight the "War of the Grubs". 😊

The Jan'15 BFMS meeting is scheduled to be held at the bar and tavern at the cross roads of Pohopco & Penn Forest Rd (the road to our field). Come on out and meet the 2015 club officers and congratulate (or is it condolences) Jack on his election to VP. The club thanks Wayne for his efforts as previous VP. He never found a task he could not delegate or avoid. LOL

Until next time keep the cockpit up and be safe.
