Dear Mr Carrington & Fellow R/C Enthusiasts,

This letter is in reference to our recent telephone conversation and the recent passing of my father, R. "Jack" Acker who was an avid R/C enthusiast all his life.

However, he leaves behind the legacy of his love of everything R/C. Enclosed you will find pictures of numerous items that will be set for sale along with other miscellaneous items on July 24th from 10 am to 4 pm.

They will be readily available in the rear of our home located in our garage, therefore it will be held rain or shine. Any and all REASONABLE offers will be accepted. My father took pride in the love of his many airplanes, mostly all were built by scratch.

If there are any questions, please contact me at 570 459-2438 or dobber@ptd.net or text me at 570 401-8300.

There will no holding of any items, it is a cash sale only.

Thank You!

Hats For Sale

Scott Voth is the person to see if you are interested in a new club hat. The cost is \$10.00, the price the club paid to have them produced by Valley Athletic Supply Co. of Lansford. The two styles were decided upon by the members present at an earlier meeting this Summer.

Get your new hat at the next meeting. If you are like me, it is time for a new one because the old hat is sweat stained, and the "oil needs changing."

Scott now has a few to sell since he picked up the
