Meeting and Swap Meet

Gather all the airplane paraphernalia that you want to sell and bring it to the next meeting (**Saturday, June 14, 2014**). Although this is rather late notification, I apologize, it was decided at the last meeting to hold a swap meet in part because Jack Mertz will have several cases of 10% Fuel available for sale. He is acquiring it from a long time radio control pilot's estate. The price will be very affordable. Think it over and bring what you can to this first swap meet.

Beltzville Park Show & Fun Fly/Flea Market

This is a second chance to find a buyer for you airplane, engines, radios and other radio control items that you no longer use. Remember, **Sunday, June 22, 2014** is our annual **Beltzville Park Show and Fun Fly**. It might also be your second opportunity to conduct a sale of the radio control materials you have long desired to put on the market. Again, give it some thought, and try to put into action what you have been putting off for so long. We are all procrastinators.

Field Spruce Up

Bring a pair of work gloves to the next meeting. Bob Beers needs help moving some branches he cut from the pine trees at the field. **Remember, bring your work gloves.**

Hats For Sale

Scott Voth is the person to see if you are interested in a new club hat. The cost is \$10.00, the price the club paid to have them produced by Valley Athletic Supply Co. of Lansford.

The two styles were decided upon by the members present at an earlier meeting this Summer.

Get your new hat at the next meeting. If you are like me, it is time for a new one because the old hat is sweat stained, and the “oil needs changing.”

Scott now has plenty to sell since he picked up the new order.

It would be nice to see the entire membership at the field on August 16, 2014 in “uniform.”

Would you purchase a T-Shirt to wear on National Model Aviation Day, August 16, 2014? If yes, just send a check for \$10.00 and a note indicating you size (men's S, M, L, XL, 2X, 3X 4X) to John Carrigan, 6528 Montour Street Philadelphia, PA 19111. I will send the club's order as soon after the May 10th meeting as possible. It would be nice to see all those present on Saturday, August 16, 2014 wearing one of the NMAD T-Shirts.

Remember the proceeds from the sale of these T-Shirts benefits the Wounded Warrior Project.

The Club shirt order has been sent to the AMA. We can expect delivery sometime around the end of June.

The poster for National Model Aviation Day (NMAD) 2014 features two white T-shirts displayed against a dark, textured background. The T-shirt on the left has a large "AIR SUPPORT" logo with "NATIONAL MODEL AVIATION DAY" and "IN SUPPORT OF THE WOUNDED WARRIOR PROJECT" text. The T-shirt on the right has a smaller logo and text, including "NATIONAL MODEL AVIATION DAY" and "SPONSORED BY" with four placeholder boxes for major sponsors. The poster also includes the date "AUGUST 16, 2014" and a price tag of "\$10".
