COCKPIT CORNER – by Brian Sherman, did4ways@aol.com

This month's edition of Cockpit Corner was unavoidably delayed due to circumstances beyond the control of yours truly. But I think the delay actually turned out to be a good thing because now we can include the results of the annual Fun Fly.

Club attendance was excellent and the officers thank everyone for coming out and supporting a good cause. BFMS was able to raise over \$200 to donate to the Monroe County Conservation Society to assist a needy child attend camp for one week.

Special thanks go to Bob Beers for the great condition of the field and to the other members that contributed drinks, snacks and prizes for the raffle. This year's range of prizes was truly outstanding as you can see in the pictures as was the number of "security" staff guarding the prize table. 😊

Until next time keep the cockpit up and be safe.
